HAIR BRUSH CLEANER

An electric brush cleaner that makes it easy
to remove hair from your hair brushes.

this is presto...

Comfortel Presto is an electric brush cleaning system that makes it easy to remove hair from hair brushes in seconds. A must have in the salon, this time saving pod now makes light work of removing hair from hair brushes to enhance hygiene and cleanliness.

Need an easy and quick solution to remove the hair off your hair brush between clients?

A new and improved standard in cleaning Patent Pending Cyclonic Cleaning Technology

Finally, a quick and easy solution for the dreaded task of removing hair from your hair brushes. The Comfortel Presto works by rotating synthetic fibres which efficiently collect the hair and hair product particles from the brush. The hair and product particles are ejected and trapped in the removable canister, which then can be easily emptied and disposed of. It is a very effective cleaning tool which leaves your brushes free of hair, allowing you to sterilize with ease.

Removes hair off the brush in seconds.

Insert the brush into the pod, and watch the hair just disappear. Also helps prevent the build-up of hair product and stubborn debris that is often hard to remove.

With no more mess, just empty the canister when it's full.

Gentle on bristles

Take care of your expensive hair tools. It maintains your brush investment and prolongs use.

Change the way you work in the salon

This mini pod does the hard work for you, allowing you as the stylist to do what you love and get back to work.

Fit for all modern salons

The pod table top, is compact in design. The modern curves and ergonomic shape make it an eye catching addition to your salon.
